CANUCK, Additional Details.

MGM-A-1782,

1. Confirming our MGM-A-1782, BEACHCOMBER reports that CANUCK is, indeed, a casual informant of BELVEDERE VI. Since the time he was called to BEACHCOMBER's attention, he has received only 100 DM and those were given for his help in the MARTINYAK case.

2. One additional bit of information which should be noted is that CANUCK is an interrogator for MIS and works somewhere in Nymphenburg. His wife and daughter live in Lindau where the girl has just finished high school. CANUCK is thinking of moving them to Munich.
